

# STUDIO ONE ELEVEN

Giving voice to yet unbuilt architecture

This is to certify that **Manvendra Singh Deora** from **Tilak Maharashtra Vidyapeeth Pune** - has completed his **Unity Developer (Intern)** with Studio One Eleven during the period of **1st October 2019 to 31st January 2021**.

We have found him to be self-motivated duty-bound and hardworking. **Manvendra Singh Deora** has done an excellent job in this position and is an asset to our organization during his tenure with the office. He is well organized, can work independently, and is able to follow through to ensure that the job gets done.

During his current tenure with Studio One Eleven, he effectively designed and developed an entirely novel in Unity Augmented Reality platform. The technologies he used for development included C#, JSON, Google Script, Firebase.

He would surely be an asset to any organization and we recommend him for any endeavour he chooses to pursue.

Studio One Eleven wishes him the best of luck with his future endeavours.

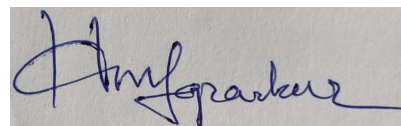

With regards,
